A word from the President of the **Australian Junior Rugby Union** – Tony Reddy

"Congratulations to the BULLS on achieving 30 Years! I have some great memories of the Charters Towers Bulls, starting with taking a group of boys and girls on "The World Walla Tour" from Townsville in 1995 and later as a referee and as an administrator. I have also had the pleasure of coaching some of the Bulls Juniors in a Junior Brolgas team, in recent times. Rugby is a terrific sport and it would be an even better sport if all clubs were as friendly and as organised as the Bulls!

I am looking forward to "The Bulls" having another great year in 2010 and catching up with old friends at the 30 Year re-union.
